COMMANDERS MESSAGE

OCTOBER 2026

Dear Legionnaires and the American Legion Post 519 family,

Wow its already October, time really does fly. As we continue with our growth in the Post and our recognition in the community,

I want to commend our Service Officer, Allen Lane who has had a continuing outreach to Veterans in the valley. He has had contact with many veterans since his appointment. I am grateful for his hard work and dedication to the Veterans in our area. From finding rides to Dr's appointments to directing them to the proper people to get their benefits from the Veterans Administration, and finding assistance for financial problems.

I am also grateful to all our members who bring in new members and speaking of new please welcome our new board members, 1st Vice Commander, Andrea Kline and 1 year Executive Board member, Andrew Stevens.

Andrea will take over Membership as her duties in the 1st Vice position, please direct any questions to her, regarding membership applications and receiving membership cards.

As a note on membership cards, please be proud to show your card. A number of Posts have been warned or fined for not checking membership cards prior to serving alcohol. Non members must be signed in by a member and must leave when their sponsor also leaves. This is a requirement of our Post and falls in line with our Liquor license requirements.

As you are reading this we will have had our District 21 meeting last month and I encourage our members to try and attend these District meetings as this is where the important business of the local American Legions is conducted. The following are

VETERAN OF THE MONTH

Hi, my name is Gail Davis and I am 91 years old and a Marine Corps Veteran. I enrolled in boarding school and attended High school in Cody Wyoming, and always wanted to join the Armed Services. I joined the Marine Corps in 1954, trained 3 years at Paris Island and Port Royal South Carolina. I then transferred to Marine Recruit Depot in San Diego California doing administrative work. I met my husband (now deceased) a former Navy retiree and we had 4 children. I was chosen by the Military to fly with Veterans on Honor Flights to Washington D.C. I met Bill Messner on one of those flights and he has been my love ever since. We love the Friday Night dinner and dancing at the American Legion Wars Memorial in Palm Springs CA 92262.

KITCHEN UPDATE

Fellow Legionnaires: The Measure J Kitchen project is now in full swing. The major holdup was getting the correct Workers Comp insurance from the Contractors. This will protect the Post in the event of a workplace accident.

The city of Palm Springs Building Department has our architectural drawings for review and approval. The Riverside County Environmental Health Department (The Kitchen Inspection people) have already approved these plans. The City Historical Group is reviewing the addition of an additional outside water heater and possible window changes.

Once the City issues a permit, they will inspect the plumbing work which has been extensive due to the addition of a dishwasher in the renovation. The equipment has been purchased and is being held by the provider. New flooring, wall coverings and a dropped ceiling will be installed after the flooring is finished.

We are dealing with contractors so an estimated completion date is always a guess. I would say at the earliest late October but November is my best guess. Money is no issue as Measure J pays quickly and a city required CPA audit has been completed and approved.

Hopefully these answers many of your questions and concerns.

Respectfully submitted,
Garth Gilpin
Finance Officer

Today was a busy day for Chapter 519 ALR!

Some of our members traveled up to Julian, CA, to join Chapter 468 ALR for their annual Bison Burger event, while others headed to Palm Springs to support the Sons of The American Legion Post 519 beach party.

Different events, different locations, but one common purpose: supporting our fellow veterans and giving back to our community.

That's what Chapter 519 ALR is all about —showing up, supporting one another, and living up to our commitment to our veterans, their families, and the communities we serve.

One Chapter. One Mission. Always Supporting Our Veterans. 🇺🇸

AMERICAN LEGION AUXILIARY CORNER

Special Delivery to the Veterans Village! Lessons in never underestimating what a small group can get done when working together!

Through the generosity of neighbors, another fantastic special delivery was donated to the Veterans Village early the morning of Saturday Sept 12, 2026. This happened because of the connections between neighbors based on a phone call from a worker of a senior living company. This time, Eddie's job was to remove "items left behind" when someone moves out of the facility. This was not easy to coordinate but; with the combined effort, the smiles and the gracious acceptance of the Veterans working together, multiple phone calls, with April, Theresa and I, it all worked out.

Once they all saw the items received and unloaded, they got busy notifying other Veterans and residents to look at the items delivered and helped with delivery of these new items.

THIS is what a good day looks and feels like.

AMERICAN LEGION AUXILIARY PRESIDENTS CORNER

As we approach the end of the year, the Auxiliary is just getting started on their year with projects and events. Our Unit is very involved with Veterans Village in Cathedral City helping the residents with food, clothing, household items and laundry money. If you are cleaning out items from your home and looking to donate, please contact us. We rely heavily on the generous donations we receive.

Upcoming events for the ALA are the Oktoberfest on October 17, from 3 to 7. We look forward to seeing you there and having fun. Tickets are available at the bar, we recommend getting them soon as this event is a huge hit. Our Annual Bakesale and Boutique is November 21, from 9 to 3. Come get your sugar fix, items for Thanksgiving and do some shopping. December 19 we are having a Christmas party at Veterans Village for the residents. If you would like to participate or donate, please contact us.

I would love to congratulate April O'Neil, 2nd Vice for earning Member of the Year. If you know April, you know this award is well deserved. Thank you April and all our members that work so hard in our Unit and make it shine.
